Membership Application Process

Here is a quick overview of the recruitment process for the Calvert Advanced Life Support (CALS). Please use this to track your progress.

The application process can take as few as 35-days or up to three plus (3+) months depending on how quickly you are able to complete the various steps, submit documents, and schedule appointments.

The first few steps are as follows:

1. Make contact with CALS Membership Committee at membership@calvertals.net
2. Schedule and attend a Meet and Greet at CALS
3. Participate in a minimum of one (1) ride-along

Once these steps are completed, you will then be given a Calvert Advanced Life Support (CALS) application. The following steps are required in that process:

- ❖ Complete and return all forms of the CALS application to the station, including:
 - a check or money order for thirty-five dollars (\$35) payable to **Calvert Advanced Life Support**, and
 - the completed background check (fingerprinting) form
- ❖ Attend the next CALS General Membership meeting, which is held on the second Sunday at 7 pm
- ❖ **AFTER** being contacted by Calvert County Public Safety, schedule & complete a background check (fingerprinting)
- ❖ Upon passing the background check, you will be contacted by the Secretary of CALS with further instructions
- If you have existing Fire / EMS training such as Firefighter I/II, EMT, etc., you will be asked to provide CALS Membership Committee with copies of those certifications. We can assist you in obtaining reciprocity or equivalency for these certifications if needed.

If at any time you have questions regarding the application process, please contact the Membership Committee at membership@calvertals.net.
